

SUAS/RO/25/ 428

Dated : 15.10.2025

**CIRCULAR****[Institution's Innovation Council: 2025-26]**

This is in supersession to the notification number SUAS/RO/24/311, Dated 17th December, 2024, the competent authority of Symbiosis University of Applied Sciences, Indore hereby reconstitute the Institution's Innovation Council (IIC) for the AY 2025-26.

The **function of the Institution's Innovation Council (IIC)** is to proactively conduct various innovation, Intellectual Property Rights (IPR), and entrepreneurship-related activities as prescribed by the Ministry of Education's Innovation Cell (MIC) within a time-bound framework. It aims to identify and reward innovative ideas and success stories, while fostering a culture of creativity and problem-solving. The council is also responsible for organizing periodic workshops, seminars, and interactive sessions with entrepreneurs, investors, and professionals, and for developing a strong mentor network to support student innovators. Furthermore, the IIC builds connections with peer institutions and national entrepreneurship development organizations to strengthen the innovation ecosystem. It also manages the institution's innovation portal to showcase innovative projects developed by faculty and students. Additionally, the IIC is tasked with organizing hackathons, idea competitions, and mini-challenges in collaboration with industry partners to encourage practical innovation and startup development.
