National Service Scheme (NSS) Committee

The National Service Scheme (NSS) at the Symbiosis University of Applied Sciences encourages students to actively participate in community service and outreach programs. Through various initiatives, such as environmental conservation, healthcare camps, and educational projects, NSS instills in students a sense of empathy and social awareness. The NSS volunteers are driven by the spirit of selfless service and work tirelessly to make a positive impact on society. By being a part of NSS, students not only enrich their own lives but also contribute to the betterment of the communities they serve, embodying the true spirit of social responsibility and citizenship.
